

**A
DEMON-HUNTING
VEEP?**

C.J.P.

Hell in early 2012

Hey folks! You might have heard of the new movie Abraham Lincoln: Vampire Hunter! Well, this year, there might be a real-life DEMON HUNTER* elected vice president! As Satan's demons, we're scared!

YIKES!
We can't let that anti-demon bigot become the second most powerful person in the world! Satan is furious! We have to prevent this or it's curtains!

"Insiders say that presumptive GOP nominee Mitt Romney will choose this demon hunter to be his running mate! If this occurs and they win, we're toast."

Holy Moroni!

Who should I choose?

Note: This tract was written before Romney chose Paul Ryan as his running mate

"This potential Veep* went to the Ivy League school Brown University where he was a Rhodes Scholar! What a %#!%# show off!"

*"Veep" is slang for vice president

“More important, in that secular liberal atmosphere, he not only didn't lose his faith but he was part of a student group that performed an exorcism on a demon-filled student in one of the classrooms!* Treating one of Satan's demons like that is uncool! We don't need a Goody Two-shoes like him in high office!”

TAINT! HA HA HA!

*Matthew 5: 14-16

Friend, the following symbols are satanic in nature. If you possess any of them, please **DESTROY THEM!** They are an abomination and demons use them to gain access to you.

NOTE: Satanists believe that only occult symbols in 3-dimensions such as jewelry or statues can be used to cast spells. . .SO **YOU NEED NOT BURN THIS TRACT!**

Beloved, do not take part in any of these components of Satan's Spiritual Structure.* They are doorways to demonic possession.
