

# DEMONIC DEVILTRY

W.W.G.S.

Alright, the Scourge  
activates her lore and the  
infant bursts into flame.

Sweet! Take that, brat!  
Bloodthorn then attacks  
the homeless woman.

A black and white comic book panel. On the left, a woman with long, dark, curly hair is seated at a table. She is wearing a dark, off-the-shoulder top and has a stack of dice on the table in front of her. She is looking towards a man on the right. The man is leaning over the table, looking down at the dice. He is wearing a light-colored, short-sleeved shirt and a dark tie. A speech bubble from the woman is at the top left, and a speech bubble from the man is in the center. A third speech bubble is at the bottom left.

The police see Gorefang standing over the corpse of the bus driver. They gun him down. I declare Gorefang dead.

Oh. f\*ck! That's not fair! I don't f\*cking want to die! Somebody help! *I will never die!*

Shut up, Jason. Gorefang's history. Pick up your dice and go home!

Later...

Great game tonight, Jen. And..um...thanks for this party afterward.

Sure, Kat. It's my pleasure. Why don't you relax a little and have some of the *ecstasy*.

Uh...okay.

Isn't this *illegal*, though?

Sure, for the [mortal] world.  
But not for the devout followers  
of *Lucifer's crusade*.

What do you mean?

It's all in the game, Kat. The game is just  
a metaphor for the actions the real demons  
are taking in this world. You're almost  
ready. I'll explain more soon.

...real demons...?

The next day...

**Knock  
Knock**

Honey? Are you okay?

Just a minute. \*urk\*!

I feel like sh\*t.  
I bet real demons never  
feel this bad...real  
demons...

Do you do that  
after every game?

Not all the time.  
Some times we  
have sex instead of  
doing drugs.

You have sex  
with...*so many*  
people at once?

It's just sex, Kat. It's nothing  
important. If it feels good, do it, right?  
That's what the demons in the game  
would do, isn't it?

...I guess so

Lucifer is the father of the world's demons. He's gone missing, and without his leadership, the lesser demons have run wild. They believe it is their world, to remake in the image of Hell as they see fit.

A black and white comic book panel showing a close-up of two women. The woman on the left is looking towards the woman on the right. The woman on the right has long, dark, wavy hair and is speaking.

I — I thought it was just a game.

It is a game. But it can be so much more if you let it. It can be your gateway. It can enable you to get in touch with a real demon yourself...or *become* one!

A black and white comic book panel showing a woman in a short-sleeved top and jeans standing and shouting. She has a shocked expression. In the background, another woman is sitting at a table, looking on with a concerned expression.

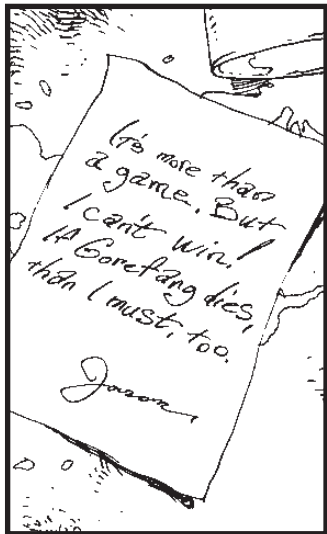

**NO!**

Oh...hello, Kat. I didn't know you'd be dropping by. Why, Kat, you smell like *whiskey*!

Please, Mrs. Withers, is Jason in? He had a bad time at our **Demon** game last night, and I...I did, too.

Of course, dear. He's in his room.

Mrs. Withers! It's Jason! He —

I know dear, but he's better off this way. He just couldn't handle the world. Now, I read some of those **Demon** books he was playing with. Perhaps you'd like to sit down and we can...talk about them.

You're sick!

...And then she tried to *touch* me!  
Nothing's been the same since I started  
playing this game. It ruins everyone's  
life it comes in contact with!

I know what you mean, Kat. I  
used to play those games, too,  
because I thought the demons  
it had were cool. But since I  
started going to church with my  
parents again, I know nothing  
is cooler than God's love.

Thanks, Billy! I should have known that God's way was the right way all along! I shouldn't have been fooled by the evil allure of those demons!

Oh!

**SLAM!**

Ah, yes. Only a few more sessions of **Demon** and the Defilers will meet the other six Houses of Lucifer. Wha—!?

Kat! We don't have a game until tonight.

I'm through with your game. It's not right. The Bible says, "You cannot drink the cup of the Lord and the cup of demons. You cannot partake of the table of the Lord and the table of demons."\* I choose God, not your Lucifer!

But...but you'll ruin everything!

I don't care. Your evil game is ruining my life and I want it back!

\*1 Corinthians 10:21

You were right to tell me about the troubles Kat has been having Billy.

Thank you for seeing us, Pastor.

Yes, thank you.

Games like that are wrong. They teach you to open yourself not only to the dangers of the occult, but to practices God abhors, like drugs, promiscuity and homosexuality.

But, Pastor, isn't that just being close-minded?

Certainly not, Kat. Think: Would you want a homosexual or a drug fiend in your home? You're not being closed-minded in rejecting these things, you're protecting yourself from the evil they bring upon you. They're just like the demons in the game, only more subtle.

Remember, Kat, your friend Jason met his end because he chose to lead a wicked life, caring only for that game.\*

Yeah, Kat. That demon game told only lies. The truth is in the Lord. "Let us not love in word or speech but in deed and truth." [1 John 3:18]

\*He who is steadfast in righteousness will live, but he who pursues evil will die. [Proverbs 11:19]

Thank you for helping me see the way. I won't be needing this book any more — the Bible is the only book I need.

the fallen

## WHAT YOU JUST READ MAY NOT SEEM REAL, BUT IT COULD BE.

My name is Father Ramos, and I invite you to join my crusade against evil in all its forms:

**Roleplaying, Homosexuality,  
Rampant Sex and Drug Abuse.**

I recently became aware of a new game that encourages our children to take on the personage of real demons.

Make no mistake, this is a wolf in sheep's clothing, and I will not be lulled into complacency!

I invite you to join my crusade against this dangerous game at [www.father-ramos.com](http://www.father-ramos.com).
