

**WHO WILL
BE EATEN
FIRST?**

One day, while sitting
in a cafe...

George, it's *vital* that you make
the right decision before you die.

You're gonna say I have to choose
between God and the devil, *right?*

WRONG!

The stars are right! The Elder Gods are going to rise and eat us all!

"In his house at R'lyeh dead Cthulhu waits dreaming."
- HP Lovecraft

Soon the evil spawn, who had slept for eons... will awaken to clear the earth of man!

That is not dead which can eternal lie..
And with strange aeons even death may die.
-H.P.L.

NO ONE will be saved! **EVERYONE** will die and mankind itself will come to a horrible end!

...I shall never sleep calmly again when I think of the horrors that lurk ceaselessly behind life in time and in space, and of those unhallowed blasphemies from elder stars that dream beneath the sea... HPL

Soon the seas will turn red with the blood of the human race, as the unspeakable terrors come from beyond the gate, which is Yog Sothoth, to devour all in their path!
la! Shub Niggurath! la! la!

So if we're all gonna die, what difference does it make? Who cares? Nothing I can do about it...

...or is there?!

You're right George... It's hopeless. But there is one thing we can hope for...

TO BE EATEN FIRST!

BE EATEN FIRST?!

What the fuck
kind of advantage
is that?!

Give me one
good reason
why I would
WANT to be
eaten first!

ONE GOOD REASON!!!

Do you really want to stick
around and watch the entire
world be destroyed by evil
creatures from beyond Hell?

Not really...

Chant invocations from the
NECRONOMICON, the
book of dead names written
by the Mad Monk,
Abdul Alhazred!

Only then... on the dreaded
day when they rise...
Will you be eaten first!

The Elder Gods are coming and everyone is doomed!

You might as well party and do all the shit you were always afraid to do!

**NOBODY CAN SAVE YOU.
WE WILL ALL BE EATEN.**

If you start to have dreams about cities where the geometry is all wrong and get inspired to make weird sculptures, do it!

1. Don't worry about going mad. There's no avoiding it.
2. Be prepared for horrible visions and creatures that will chill you to the bone!
3. Remember... Yog Sothoth is the gate!

WHAT TO SAY:

Ph'nglui mglw'nafh Cthulhu R'lyeh wgah'nagl fhtagn. Ph'nglui mglw'nafh Cthulhu R'lyeh wgah'nagl fhtagn. Ph'nglui mglw'nafh Cthulhu R'lyeh wgah'nagl fhtagn.

If you have done all this, and you go completely mad... the Elder Gods will eat you first! Or maybe not... maybe they'll torture you in their dank and rotting lairs... but you won't care by then because you'll be insane! A shell of a human being! BWA HA HA HA HA!

*Just remember...
That is not dead which
can eternal lie,
And with strange aeons
even death may die.*

evil! Get them this book:**
